General Summary

Show Plan Changes - date changed - One Flew Over the Cuckoo's Nest will be put on hold- Stud Ducks and Horny Toads will be moved to November spot - which is Nov 9th 11th 12th 13th

This was due to challenges with illnesses as well as some cast issues, but the Dickson's are confident that the show will turn out absolutely amazing with the additional time for the kids.

Calendar update coming - Please make sure to get an invite for the Band App from your child. You can go into the notification settings and turn off all other than by Admins (this will significantly reduce it blowing up your phone and keep it to just the Dickson's)

No practice 23rd. For the shows on the Stud Ducks and Horny Toads - The actual playwright and one of the characters that it was based on will be in attendance.

\$300 - for snacks and water - motion raised by Eurie - passed

Sign ups for Tech Week food and volunteers will be planned next month at our meeting.

We paid out Brooklyn's scholarship. Will reach out to Elio to see if we can get his updated information to get his \$1000 paid to his school as well.

Web page is up <http://www.pinetreetheatre.org/> If able to help volunteer you can visit the booster page there for the link to submit your volunteer screening (does take 24-48 hours to return usually)
